Your application has been received and you have been accepted as a candidate for Ranger Training Camp. We look forward to your arrival at Camp Wilderness in Waupaca at 7:00 pm on Friday, April 8th. Don't be late, opening ceremony is at 7:30 pm and then we'll start classes right away.

You will NOT need a uniform with you, but you will need to make sure you bring the following items with you for this camp.

Royal Ranger T-Shirt
(White with large emblem)
Jeans
Socks
Tennis Shoes and Boots
Sweatshirt

Sleeping Bag
Sleeping Mat or Cot
Pajama's
Towel and Bathroom Kit

Please bring a jacket as we may be going outside for some fun activities. This is only for one night so you don't have to bring too much stuff.

Do not bring any radios, Mp3 players, or video games with you. You'll be sleeping inside the training center. This camp is for RTC Candidates only and no one outside of candidates and staff will be allowed to stay at camp. Camp will conclude at 5 pm on Saturday, April 9th. Please call me if you have any questions about camp or what to bring.

All medication will be collected and distributed as necessary by the camp staff. Please clearly mark NAME and INSTRUCTIONS on all medication.

Sincerely,

Note * Each boy will receive a tomahawk on graduation day for completing RTC. His commander will hold onto this for him until he gets home and then will give it to a parent so they can supervise its use. The tomahawk is used as a tool to encourage the boys to join FCF and to encourage them to work to earn their JLTA saber some day. Please let me know if you have any questions regarding this.
